

Christ's Cross Car Club

Agenda

October 9, 2011

The meeting was at the home of:

**Paul & Carol's
Coon Rapids, MN 55448**

Devotions – Carol prepared devotion for us – she talked about making sure we don't worship our cars -- we use them to bring other people closer to Christ.

How has God shown his Grace to you? How have you shown God's Grace to someone?

What's on your mind?

Paul – I went to Auto City Classic (suggested by Thielen, Gary after reading the meeting notes from last month) in Isanti for side glass on our 57 and having John Adam's (per their suggestion) install the glass.

Dennis - was wonder if we could send out post cards reminding the people that don't have email of the next meeting? After some discussion we decided Paul should email out a survey to the group asking them to respond with a **YES** or **NO** if they want to continue email correspondence? Paul will follow-up with a phone call to the people that don't reply to the email assuming their email address is no longer valid. This will help us to determine if the email addresses are valid and who we should send meeting reminder notices to.

Ryan – ask if we could move the meeting to an earlier time because he has a meeting at 7 PM on Sundays? We did agree we should have a standard meeting day and time and that the host should have the flexibility to set the time.

Jerry will help with the large trophies for the 2012 Car Show. Robert and Jerry have an idea for the small ones.

The question came up on insurance – does FOC Insurance include liability coverage for us when we hold our Car Show on the church property or do we need a separate policy?

RSVP the host of the monthly meeting – to help the people hosting the meeting out of common courtesy you should email/call the host letting them know if you are coming or not so at the last minute they aren't setting up tables and chairs, or doing extra work.

November meeting we'll be doing Christmas cards again – we are guessing we'll need to send out approximately 150 cards – when the November meeting notice is sent out there will be suggestions on what you can bring i.e. stamps, cards, etc.
